Summary

Introducing a brief synopsis "King of Wrestling"

Historical
Drama Comic

King of
Wrestling

In the chaotic late Joseon Dynasty, a child named Cheon-ah, raised by a single mother, faced challenges. Despite being called an orphan, Cheon-ah proved his strength by standing up to bullies. After his mother's death, he discovered wrestling, a new world where he found purpose and strength. Wrestling became his path to a brighter future, away from his troubled past in the small mountain village.
